

Ladew Café

We are looking for motivated and efficient kitchen staff to join our team at the Ladew Gardens Café. Kitchen staff will have the opportunity to work with quality ingredients, many of which will be sourced from local farms or Ladew's own production garden. The Café will offer daily lunch service along with numerous special events throughout the season. Applicants should expect to participate in these events that may require shifts that run through the evening hours. Applicants are expected to work quick, clean, and smart in coordination with their teammates, while maintaining a great attitude and positive work environment. Kitchen staff will be expected to follow recipes, multi-task, maintain composure during high volume food service, and show respect for the food, customers, and fellow team members. 2+ years of kitchen experience is preferred, along with a desire to learn and willingness to contribute.
